

FreightTrain[®] Powered By Attainia

Announcing the partnership between Attainia and FreightTrain[®]. Now Attainia and FreightTrain[®] members get the complete solution by leveraging their data from Attainia's cloud-based capital planning software into the FreightTrain[®] FitUp[™] module. This collaboration allows for visibility from beginning to end, planning to installation and use. Contact us for more information at 626.844.6519 or info@FreightTrain.com to find out how this partnership gives you the complete solution.
